WARRANTY COVERAGE

Highly Reliable Systems warranty obligations for the High-Rely products are limited to the terms set forth below:

Highly Reliable Systems (HRS) warrants the High-Rely product against defects in materials and workmanship for a period of eighteen (18) months from the date of original purchase ("Warranty Period").

If a defect arises and a valid claim is received by Highly Reliable Systems within the Warranty Period, at its option, Highly Reliable Systems will (1) repair the product at no charge, using new or refurbished replacement parts, (2) exchange the product with a product that is new or which has been manufactured from new or serviceable used parts and is at least functionally equivalent to the original product, or (3) refund the purchase price of the product. Return/replacement products will be returned via prepaid **GROUND SHIPPING**.

If a defect arises and a valid claim is received by Highly Reliable Systems after the first one hundred and eighty (180) days of the Warranty Period, a shipping and handling charge will apply to any repair or exchange of the product undertaken by Highly Reliable Systems.

Highly Reliable Systems warrants replacement products or parts provided under this warranty against defects in materials and workmanship from the date of the replacement or repair for ninety (90) days or for the remaining portion of the original product's warranty, whichever provides longer coverage for you. When a product or part is exchanged, any replacement item becomes your property and the replaced item becomes HRS property. When a refund is given, your product becomes HRS property.

Customer is responsible for shipping defective parts or products to Highly Reliable Systems for repair or replacement. Once we have received the parts or products our turnaround time for repairs at our facility is 7 business days. Highly Reliable System will pay to return the repaired or replaced part or products to customer via Ground shipping.
